Thurman Town Board Members,

Attached you will find the run totals for October 2014. We handled 3 calls in Thurman in October and our average response time was 15 minutes to arriving on-scene. 3 of those calls were BLS and 1 was ALS.

I just wanted to remind you that we have providers in station 24 hours a day so our out of station time is usually less than three minutes. If any member of the Town Board or any resident of Thurman has any questions regarding our operations, please feel free to contact me at any time. I would be happy to answer your questions or discuss any concerns that you may have.

We still have tickets for the quilt that was graciously donated by Lilly Cameron as a fundraiser for WEMS. The tickets are \$2.00 each or 3 for \$5.00. We will be drawing for the quilt on December 7th at the "Christmas in Warrensburg" festivities. If you would like tickets please let me know.

Please do not hesitate to contact me at any time if you have any questions, comments, or concerns. I can be reached on my cell phone at 232-0817. I would like to thank the Town Board and the Thurman residents for their continued support.

Respectfully Submitted,

Stephen W. Emerson

To The Thurman Town Board,

I would like to ask the town board a question, where did the money come from for the town to buy the orange bags that we use for our trash. If they bought it out of the town tax payers money in the first beginning, why do we have to pay double for them. I think we are being double charge, and that not right. I think this should be looked into, and the board should fix it if it is that way. I have had alot of people ask me about it. I would like a answer so I can let these people know when they ask me.
